

Digi International Named 2018 Progress Minnesota Award Winner

April 10, 2018

Finance & Commerce Magazine Recognizes Digi's Contributions in Elevating the State as a Center of IoT Innovation

MINNETONKA, Minn., April 10, 2018 /PRNewswire/ -- Digi International®, (NASDAQ: DGII), (www.digi.com), a leading global provider of Internet of Things (IoT) products and services, today announced that *Finance & Commerce Magazine* has selected the company as a recipient of its [Progress Minnesota Award](#). Digi was acknowledged in the "Entrepreneur" category for its long history as a visionary Minnesota-based developer of cutting edge technology, including advanced IoT products and services, and for contributions to local events and startups, along with its internship program.

"This award reflects our commitment to help build and grow the reputation of Minnesota as a leader in technology development," said Ron Konezny, president and CEO of Digi International. "We've been fortunate to benefit from a local environment that facilitates our entrepreneurial vision and success with the availability of exceptional talent and the support of a thriving business community, and we are dedicated to continued activities that demonstrate why Minnesota is ideal as a location for a top technology company."
