

Digi International 2021 Channel Awards Honors IoT Products and Services' Distributor and Channel Partners for Excellence

May 16, 2022

Companies Recognized Based on Excellence, Value and Contribution to Advancing the Overall IoT Market in 2021

HOPKINS, Minn.--(BUSINESS WIRE)--May 16, 2022-- Digi International, (NASDAQ: DGII, www.digi.com), a leading global provider of Internet of Things (IoT) connectivity solutions, is pleased to announce the winners of its 2021 Channel Awards. The recognition is awarded to Digi's distributors and channel partners that excelled in providing exceptional value to its products and services customers – supporting their IoT connectivity needs, while advancing the overall IoT market throughout 2021.

The Channel Awards were granted in two categories to the following companies:

Networking 2021 annual award category:

- [Premier Wireless Solutions](#): IoT Networking Solution Partner of the Year
- [Bressner Technology](#): Global Networking Partner of the Year
- [Synnex Corporation](#): Networking Distributor of the Year
- [Ingram Micro](#): Emerging Partner of the Year

OEM 2021 annual award category:

- [Digi-Key Electronics](#): Global Distributor of the Year
- [Symmetry Electronics](#): Demand Creation Distributor of the Year
- [Mouser Electronics](#): NPI Distributor of the Year

"These award recipients demonstrate exceptional professionalism and leadership, and we congratulate each of them on this well-deserved award," said Digi International President and CEO Ron Konezny. "Like the Internet of Things itself, it takes an entire dedicated ecosystem of collaborative partners to unleash the full potential of technology and innovation to support today's complex business needs. Each honoree played a key role in contributing to Digi International's overall success in 2021, and we look forward to continuing the momentum in 2022 and beyond."
