This press release features multimedia. View the full release here: <https://www.businesswire.com/news/home/20250604913502/en/>

Digi International launches full-suite solution for industrial infrastructure management, combining the new Digi Axess mobile app with the Digi Axess VPN Service for 24/7 secure industrial infrastructure access.

control, and enterprise-grade security," said Brian Kirkendall, Vice President and General Manager of Infrastructure Management at Digi International. "We're thrilled to roll out this complete industrial infrastructure solution to support the critical needs of our customers."

**Why it matters:** Industrial teams can now **monitor, control, and secure critical systems** from anywhere — instantly and securely.

"With these launches, Digi Axess delivers the full package: remote monitoring, mobile

### Digi Axess Mobile App: Complete Industrial Control from Your Mobile Device

Designed specifically for field teams in industries such as oil and gas, water, wastewater, and irrigation, the Digi Axess mobile app enables instant oversight and rapid response, all from a mobile device.

#### Key features:

- **Instant configuration:** Adjust sensors in seconds
- **Instant alerts:** Respond fast
- **Mobile troubleshooting:** Fix issues on the go
- **Enterprise-grade security:** Stay protected
- **Always-on access:** No more desktop dependence

### Digi Axess VPN: Always-On Security with Reduced Risk

The Digi Axess VPN service offers secure, scalable connectivity without reliance on public static IPs. Optimized support for the [Digi Z45 Industrial Controller](#) — minimizing risk and maximizing uptime.

#### Key features:

- **No public static IPs:** Reduced cybersecurity exposure
- **VPN tunnel failover:** Stay connected
- **Scalable + cost-effective:** Deploy remotely with ease
